

KIARA SCARLETT INZUNZA MALDONADO

UX/UI Graphic Designer

Quilpué, Chile (Open to remote) • +56 9 6626 7116 • kiaraimdg@gmail.com • [Portfolio](#) • [LinkedIn](#) • [Behance](#)

PROFESSIONAL PROFILE

Graphic designer with a major in Interfaces and Interactions and hands-on experience in UX/UI design for websites and web applications. Trained in user-centered design (UCD), user research, prototyping, and usability, with a focus on improving the accessibility of digital products. Proficient in Figma, Adobe XD, and Illustrator, plus web development fundamentals (HTML, CSS, SASS, WordPress). Continuous self-directed learner: recently added motion graphics (After Effects, DaVinci Resolve, CapCut) to complement interface design. Seeking a remote UX/UI Designer role in Chile.

WORK EXPERIENCE

UX/UI Designer | Lado Norte — Remote | *Aug. 2023 – Dec. 2024*

- Completed a 350-hour professional internship designing web interfaces (UI) for agency clients, applying user-centered design principles.
- Continued collaborating as a freelance designer, producing web design mockups and prototypes (Figma / Adobe XD) after the internship ended.
- Performed quality assurance (QA) on live web projects, verifying usability and visual consistency.
- Applied WordPress editing and publishing fundamentals to implement designs.

Graphic Designer (Internship) | Pepe Pug — Viña del Mar | *Mar. 2022 – Jun. 2022*

- Completed a 180-hour work internship developing graphic content for social media: Instagram posts, sticker sets, labels, and promotional posters.
- Designed themed graphic pieces while maintaining brand identity consistency, using Adobe Illustrator.

Continuous Professional Development | Self-directed | *2025 – 2026*

- Expanded skills in Figma (advanced prototyping and components) and motion graphics: text animation and solid-element transitions in After Effects, basic editing in DaVinci Resolve and CapCut.

EDUCATION

Graphic Design, major in Interfaces and Interactions | Duoc UC — Viña del Mar | *Mar. 2020 – Dec. 2023*

- Core coursework: Graphic systems production, User-centered design, User experience, Project and service management.

Web Development Diploma | Duoc UC — Remote | *Mar. 2024 – Oct. 2024*

- HTML, CSS, SASS, Bootstrap (basic level).

COURSES & CERTIFICATIONS

UI Camp — UI Design Bootcamp | Independent | *Sept. 2024*

- Designed 14 product interfaces in 14 days. Skills applied: time management, UI design, user patterns.

AI and Productivity | Santander Open Academy | *Jun. 2025 – Jul. 2025*

- Fundamentals of AI applied to productivity and effective prompt writing with Google Gemini.
